Introduction to Gmail

Congratulations!

You've successfully signed up for Gmail! Here's a quick run through to help you get comfortable.

Archive instead of delete

Tidy up your inbox without deleting anything. You can always search to find what you need or look in "All Mail."

Chat and video chat

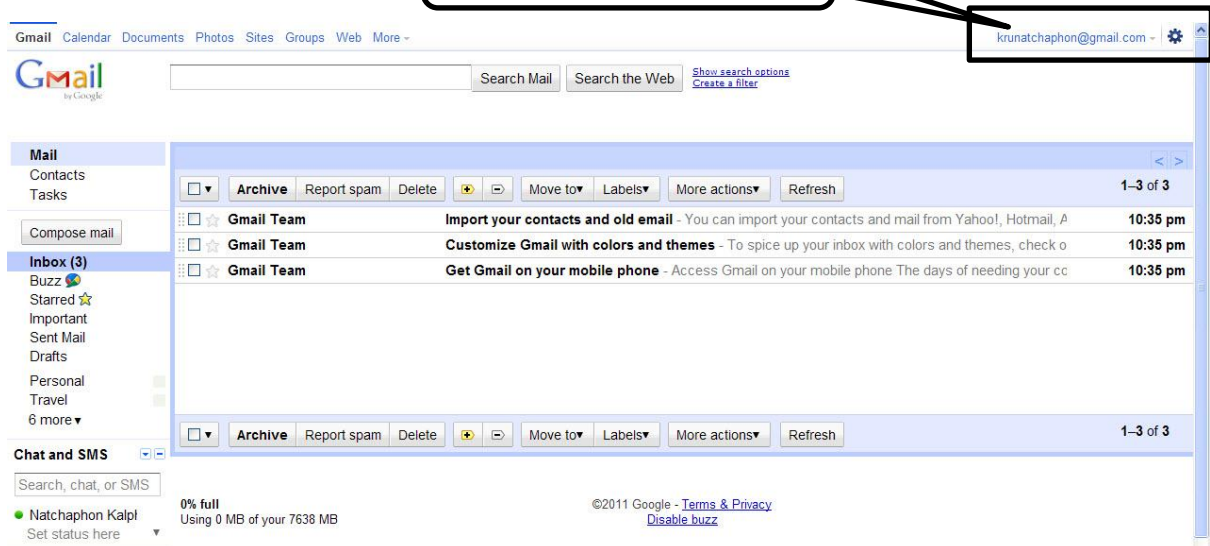

Chat with your contacts directly within Gmail. You can even talk face-to-face with built-in video chat.

Labels instead of folders

Labels do the work of folders with an extra bonus: you can add more than one to an email.
